

# Professional Development Plan

Sarah Stewart

agreed at the Midwifery Standards Review meeting held on  
to achieve the following by the next review in 1 (year).

Professional development goals identified during Midwifery Standards Review:

Find the "joy" in midwifery again.

Get portfolio organised.

Set boundaries with polytech work commitments.

Compulsory education (60 points over three years):

BF update.

Elective education (40 points over three years):

PHD.

Professional development activities (60 points over three years):

Students
